

Men of Bolton, come and get your AAA screening!

Abdominal Aortic Aneurysm (AAA) is when the wall of the aorta in the abdomen becomes weak. If you have an aneurysm you will not usually notice any symptoms. This means you cannot tell if you have one.

We are inviting men aged 64-66 to call us to book your scan
at Bolton Wanderers FC on 0161 291 5716.

Tours of
Bolton
stadium

Free tickets to Bolton's match
on Saturday 18th April against
