Introduction to Digital Bolton

There are lots of reasons why it's good to be online and digitally confident.

An increasing number of services, communications and transactions are now delivered online. These include getting in touch with the council for reporting and payments, applying for jobs, learning new skills, saving money, keeping in touch with people and lots more.

The aim of this support guide is to connect you with local digital help, support you to confidently discover your digital potential and reduce digital exclusion!

There are lots of opportunities to learn digital skills and access the internet in Bolton.

Knowledge at your fingertips!

digitalhelp@bolton.gov.uk

From learning how to use your computer, phone or tablet to advice and guidance on accessing services online.

We're here to help you make the most of the digital world!

1-to-1 Help with our Digital Helpers

These **free sessions** are provided by volunteers to help people who have not used computers, smartphones or tablets before or need to gain confidence in using them.

The sessions last for an hour and there is an opportunity to book follow up time if needed.

We aim to provide help tailored to your needs and can support with a wide range of areas including using the internet, social media, setting up email, downloading apps, saving money online, and buying and selling online. We can also help with online job searching and CVs.

To book a session, ask a member of staff at your local library or call
01204 332853

If you are interested in becoming a Digital Helper, please visit our Volunteering webpage at
www.boltondes.org.uk

Free to use computers and Wi-Fi

All Bolton Libraries provide **free access** to computers and Wi-Fi and have printing facilities for anything you would like to print from one of our computers. Print outs cost 10p per black and white A4. Colour printing is available in some libraries.

There is a simple sign-up process required to enable access to our Wi-Fi network. Please ask a member of staff for support.

Digital Drop-ins

Call in to one of our monthly drop-in sessions at your local library to get help with your own device. Our friendly team will be on hand to guide you.

There's no need to book, just turn up!

Central Library	Every Thursday
Farnworth Library	3rd Monday of the month
Harwood Library	2nd Tuesday of the month
Horwich Library	Last Monday of the month
Little Lever Library	Last Thursday of the month

Digital Skills Bootcamps

If you're aged 19 and over and looking for work, to change sectors or progress in your current industry, a Digital Skills Bootcamp could be your next step to a better job.

These flexible courses last up to 16 weeks and allow you to gain skills employers are looking for. You will also be guaranteed a job interview at the end of the course.

For most Skills Bootcamps, no previous knowledge in the subject is needed – you just need a good grasp of the English language and the willingness to learn new skills.

There are a huge range of subjects available on the programme including:

- Cloud computing
- Cyber security
- Digital design and marketing
- Software/web development

Bolton Digital Lending Library

The Bolton Digital Lending Library was set up by the Digital, Employment and Skills (DES) team with Bolton Library and Museum Services and enables individuals to borrow a digital device via an organisation they work with closely.

The service enables people to use laptops and tablets with internet connectivity provided and is intended to benefit those who don't already have access to a device and/or the internet at home.

If you would like to find out more about the service, please call

01204 332731

or email the Digital, Employment and Skills team

DES@bolton.gov.uk

Greater Manchester Databank

The National Databank allows organisations and charities to distribute free data calls and texts SIMs to ensure those who need it have access to the opportunities being online brings.

The Bolton Digital, Employment and Skills team can provide eligible residents with a free data, calls and texts SIM card for up to twelve months. The data available is donated by Virgin Media, O2, Three and Vodafone.

To be eligible to receive data from the National Databank, you must be:

- **18yrs+ and be from a low-income household**
- **and qualify in one or several of the following statements:**

- **Has no or insufficient access to the internet at home**
- **And/or has no or insufficient access to the internet when away from the home**
- **And/or cannot afford your existing monthly contract or top up**
